Worship Team

Sound Desk operator

The worship team are particularly short of PA people at the moment. It might look daunting, but it's relatively easy to pick up. You need to arrive at 9:15am on the day you're doing PA, and will get some help setting up from the setup team that week.

Requirements: Reasonable hearing! Attention to detail, grace and patience.

Volunteering at WCC

November 2011

Wantage Community Church is a volunteer organisation! This leaflet provides some information on volunteer opportunities that are available right now!

These are opportunities to be part of WCC building a habit of honour in how we do things, a chance to bring your unique skill and gifting to bless those around you.

Communications

Wednesday Email (30 mins per week)

Weekly email sent on a Wednesday to church leaders and small group leaders containing a summary of upcoming events to help them communicate the information with those they meet. New and important items are highlighted.

Google Calendars can be maintained as part of this task (but it'll take longer).

- Requirements: Computer, email
- Outputs: Weekly email

Weekly Sunday News Sheet (2½ hrs per week)

A weekly, colour news sheet communicating what is going on, helping people to relate to the church and listing forthcoming meetings and events. It aims to highlight specific events.

- Requirements: Computer, email, desktop publishing software, basic image editing software and skills, Sunday meeting schedule, Access to WCC website.
- Outputs: Weekly PDF news sheet printed on paper, Weekly low res PDF for upload to WCC website.

Fortnightly Wantage & Grove Review (40 mins per month)

Fortnightly submission to Wantage & Grove Review event listings containing a month's information. Deadlines are the Tuesday prior to the Monday publication, but may differ where publication falls near a bank holiday.

- Requirements: Computer, email, Sunday meeting schedule.
- Outputs: Fortnightly email

Note: it would be good to submit to other local papers too.

Google Calendars (20 mins per week)

Ad-hoc updates to Google Calendars upon receipt of information.

- Requirements: Computer, internet, email, Google Calendars
- Outputs: Google Calendars

Events on webpage (20 mins per week)

Ad-hoc putting of events on the WCC website upon receipt of information.

- Requirements: Computer, internet, Google Calendars.
- Outputs: Events on the website.

Weekly Notices Powerpoint (1 hr per week)

Weekly notices on Powerpoint for Sunday meetings

- Requirements: Computer, email, Powerpoint, image editing software and skills
- Outputs: Weekly scrolling Powerpoint. Optionally produce non-scrolling and 'after meeting' versions.

Missions champion (2 hours a month)

WCC supports various mission activities into China and the Muslim world. We would like to get information from them communicated back to the church (via the news sheet and email, say) and help people to communicate with them (an idea might be occasional cards from 'members of the church').

- Requirements: Computer, email
- Outputs: information into news sheet and email; communication back to the missionaries.

Compassion and Outreach ministries

These ministries are great opportunities to show God's love to a broken and hurting society. They all welcome volunteers both for "frontline" roles, showing the love, and "support"
